WANTS BOARD TO MEET HERE

Territorial Board of the Louisiana Purchase Exposition Managers of New Mexico Meets This Month.

Herbert J. Hagerman says he is trying to get the Territorial Board of the Louisiana Purchase Exposition Managers of New Mexico to meet in Roswell. There have been three meetings of the board already, two in Santa Fe and one in Las Vegas and the fourth meeting will be held this month and Albuquerque is very anxious to have it meet there.

Mr. Hagerman thinks we ought to all work together and get the board to meet here this month as it would do the valley a great deal of good. \$30,000 has been appropriated by the Territory for the New Mexico exhibit at St. Louis. This amount is not sufficient and the county commissioners have the power by law to make extra appropriations for gathering and arranging the exhibit from the different counties they represent. New Mexico should be strongly represented at the great exposition and the good that would result would be inestimable.

The board has eight members and was appointed by Governor Otero. Mr. Hagerman is a member and is taking great interest and doing all in his power to make the New Mexico exhibit a creditable one.

J. B. Gill returned this morning from Dexter, where he shipped out some apples. He says there is a sign at Cumberland City with the following wording: "Cumberland City, New Mexico," but he did not see the city.

A Beautiful Piano Given Away!

OCTOBER 7, 1903

By Certain Roswell merchants.

A number of the enterprising firms of the city have interested themselves in an arrangement to give away, absolutely FREE, an elegant Plano to some lodge, church, school, club or other organization of the county.

The plan is a novel one and at once commends itself to the public, there being no outlay on the part of anyone other than the people who are doing this to stimulate cash trade and at the same time popularize their place of business and bestow a lasting and valuable gift that will be a permanent advertisement for them.

Briefly stated the plan is this: Each firm who is interested in the contest, is provided with voting tickets, and for each ten cents worth of goods purchased or work done, issues a ticket entitling the holder to one vote. The ticket can be voted for the church, lodge, society or club of the purchaser's preference. A ten cent purchase entitles to one vote, twenty cents to two votes, fifty cents to five votes, one dollar to ten votes, five dollars to fifty votes, and so on. These tickets should be filled out in ink or indelible pencil, the merchant filling in amount of purchase and number of votes, the customer filling in for which church, lodge or other organization the vote is to be cast and name of voter. There must be no erasure or alterations of the tickets. They can only be had from the firms who have secured an interest in the contest and only from them in return for cash purchases of goods. No charge whatever is made for the tickets.

The voting box is at The Pecos Valley Drug Co., where all tickets should be deposited same day as received. On each Wednesday the vote will be counted and the standing of contestants announced in The Weekly Record. A disinterested committee will be elected to count the votes. The contest is now on and will close October 7th, 1903, at noon, at which time the piano will be awarded to the organization receiving the greatest number of votes cast. Remember it costs nothing whatever to try for this piano, so get in the race and vote for your favorite organization.

Piano is Now in Use at the Methodist Church.

Whereas, It has pleased the great Ruler of the Universe to remove from our midst our beloved brother, J. D. Hortenstein:

Resolved, That the members of Samaritan Lodge No. 12, I. O. O. F., be requested to wear the usual badge of mourning for thirty days in memory of the many virtues of our deceased brother;
